

WOOF! RESCUE DOG CAMERON **NEEDS A HOME**

Meet Cameron, an adorable 3 year old, 16 pound Havachon (Havanese and Bichon mix) rescued from the city shelter. He arrived with an orthopedic injury and was in a lot of pain. We immediately had surgery done, and he's now a happy recovering pup. He's friendly and sweet, loves to give kisses, and meets all dogs in the street with a wagging tail and lots of excitement. Cameron is housebroken, has been neutered, has all his shots, is heartworm tested negative, is microchipped, and is ready for a family to love him as much as he will love them. Could your family be the one?

Call or email Rhoda Glass at rhoda@rglassmail.com or (917)-232-7736 to schedule a time to meet Cameron! Feel free to forward this flyer.
