WOOF! DOG BISCUIT NEEDS A HOME

Meet Woof rescue, BISCUIT! Surrendered to Woof due to his owner's serious illness, Biscuit is a 14 month old neutered male Havanese mix. He is a lively boy who loves to play and enjoy the company of his family. He will fetch toys for hours and loves to take long walks or jogs everyday. He is 15 lbs. of joyful puppy happiness. Biscuit is housebroken, knows commands to sit, stay and if you hold a treat over his head, he will dance for you on his hind legs. An active family with time and patience to play with him is ideal. He will bring many years of love and joy!
