

# **WOOF! RESCUE DOG KOBI** **NEEDS A HOME**

Meet Kobi, a dashing handsome 8 years young Chi mix. He loves cuddles, hugs and belly rubs. He came to us from the shelter as an obese little pup who had trouble walking. But with healthy (and less) food and long walks by his terrific foster, he's slim, healthy, very playful and active. Kobi is fully house trained and will greet you with love and excitement every time you walk in the house. He's a sweet boy, very well behaved, relaxed and quiet, and loves sitting next to his foster mom on the couch when she is reading or watching TV. He's a really friendly little guy and loves meeting new people and dogs on his walks.

Kobi has is healthy and neutered, has had all his shots and dental work, heart-worm tested negative, and is microchipped. He's ready for a new forever home! Please help us find him a great family.
